flexible solutions for your education needs

J1 Visa Placement

Champion offers a safe and secure method of obtaining international staff through the J1 visa program. Camps are able to choose from a highly qualified batch of talented young people after getting the opportunity to interview them and ensure they're the right fit for their camp. Don't go into this blind; let Champion keep things clear.

What's the bottom line?

Champion incurs a cost of around \$1000 for each visa they place. Unfortunately, that cost keeps many camps from choosing to host international staff members.

At champion, we value cultural exchange for anyone who is qualified and willing, which is why we subsidize a majority of our camp partners' tuition costs.

Perfect Synergy

With a diverse staff of American and Chinese educational experts, Champion has positioned itself in the premier place to serve its students.

Meet in the Middle

Champion acts as the middle ground to decipher foreign difficulties. We've been down this road before and have experienced the many difficulties that can arise throughout the process. Trust us to mediate and you'll be able to rest easy knowing you're in good hands.

Unscrambling the Puzzle

Whether it be teaching English in China or studying in an American High School, Champion has qualified staff that can help you unscramble the puzzle and focus on the success of your plan.

Here at Champion, we're combining the rigor of Chinese Academic accomplishments with the flexibility of American subjective achievements to ensure that all students receive the best education the world has to offer.
